

TAX SERVICES

EXPERTISE, COMMITMENT, & TAILORED SOLUTIONS

Trusted Advisors You Can Count On

EXPERTISE

Harper & Pearson Company, P.C.'s focus is to provide high-quality professional tax consulting services. Through maintaining a responsive and accessible relationship with each of our clients, we develop long-term tax planning strategies, enabling clients to make informed financial decisions. By understanding your objectives, we can offer tailored solutions to tax-related challenges, helping clients reach their financial goals. Our tax practice offers planning to develop and implement tax strategies that can help prepare and position you for the future. At Harper & Pearson, our goal is to provide you with recommendations and strategies to help build your net worth and reduce your burden.

Harper & Pearson is an independently owned and operated member firm of CPAmerica International, one of the largest associations consisting of more than 160 independent CPA firms in over 100 countries. Through our membership, we have unique access to the expertise and resources of more than 2,500 professionals in national and international markets.
